

# ANKUSH MUDGIL

Bhiwani, Haryana, India (127021 ) | Ph.: (+91) 8307874565 | [mdglankush565@gmail.com](mailto:mdglankush565@gmail.com) | [LinkedIn](#) | [GitHub](#)

## EDUCATION

**School of Studies of Engineering and Technology, Guru Ghasidas Vishwavidyalaya**

*Bachelor of Technology in Computer Science and Engineering — CGPA : 8.57/10.0*

Bilaspur, Chattisgarh

2020-Present

**Aastha Academy Senior Secondary School**

*Intermediate - Rajasthan Board of Secondary Education(RBSE) — Score : 79.20%*

Sikar, Rajasthan

May 2019 - April 2020

## EXPERIENCE

**GASTOS Private Limited**

*FrontEnd Web Developer Intern*

Bhiwani, HR

Jun 2023 – July 2023

- Led front end development by integrating microservices to slash down API call overhead by 20%, ensuring scalability and streamlining workflows to result in 15% increase in robustness and code maintainability.
- Implemented advanced algorithms and a tech stack including **React.js** and **Next.js** slashing page load time by 30%.
- Enhanced user experience by 25% through responsive design and optimized rendering.

## PROJECTS

**E-Commerce Next Js. Application : A Full Stack Application** [\[Link\]](#)

Nov 2023

- Integrated **Next.js**, **Stripe**, **Axios**, and **Styled Components** to engineer an app, amplifying user compatibility by 20%.
- Deployed **server-side rendering** and leveraged **MongoDB** for seamless expandability and 30% reduction in database query response time.
- Utilized efficient patterns leading to a streamlined and performant user interface elevating overall site performance by 40%.

**Resume Builder Application : A Front Web Application** [\[Link\]](#)

Oct 2023

- Developed a platform for seamless Resume generation which reduces rendering time by 25%.
- Implemented advanced algorithms for content organization, resulting in a 40% increase in data retrieval efficiency.
- Incorporated **React.js**, **Redux**, and **pdfjs** to outperform existing competitors, augmenting user engagement by 65%.

## ACHIEVEMENTS

- **CodeChef**: handle- [mdglankush65](#). Ranked 168 out of 23000 participants at **CodeChef Starter 114 Coding Contest**.
- Worked as a virtual software engineering intern at **Goldman Sachs**.
- Solved **1000+** DSA questions on multiple platforms like [LeetCode](#) , [GFG](#) and [CodeStudio](#).
- Earned Intermediate Certificate and 1000+ points (5 star) for troubleshooting DSA problems on HackerRank.
- **Hackathons**: SIH 2022 Government of Himachal Pradesh (Runner Up).

## TECHNICAL SKILLS

**Languages**: C, C++, Javascript

**Web Technologies**: HTML, CSS, Tailwind, React.js, Next.js, Node.js, Express.js

**Algorithmic Thinking**: Data Structures and Algorithms

**Databases**: MySQL, MongoDB, MariaDB

**Platforms**: VS Code, GitHub

## POSITION OF RESPONSIBILITY

**CodeChef Chapter Guru Ghasidas Vishwavidyalaya : CP Team Executive Member**
